WELCOME

CRAGO RANCH

Welcome to Our 38th Year & Thank You All For Coming!

Chuck and Mary along with their son Jade are the three main faces behind the sale, but all of their children, Courtney, Billy, and Troy help with the production. Courtney and Hayse Worthington live in Stephenville, Texas, and have a beautiful 11 month old daughter named Reata Rose. Courtney runs barrels on two daughters of Nonstop Bubblin with a young daughter of CM Nonstop Nitro that will also join the other two in the next couple of years. Hayse is a top team roper and they have consigned one Crago bred roping mare to the sale and another of his great heel horses. Billy and Laura Donovan live in Rapid City, S.D., and are the parents to Alexia (9) and Austin (2). The family comes out for branding and you can always count on them to be there helping on sale day. Troy lives in Stephenville, Texas, and is currently designing the new www.crago.com! Jade just graduated high school this spring and Chuck and Mary expect big things from him as an up and coming Barrel Futurity Trainer on Crago-raised horses as well as a Barrel Horse Breeder. He attended the National High School Finals Rodeo mid-July in the Cattle Cutting for the third time. This time he is competing on a horse named "King Flo" who is a feature in the sale. Jade also heads on a Crago raised gelding by Nonstop Bubblin named CM Bubblin Drifter.

The Crago's are extremely proud of the stallions they stand and expect big things from their four youngest up and coming stallions! Their oldest stallion has already proven himself time and again.

PC Bronsin is the senior sire at the Crago Ranch at 28 Years of age. He is a buckskin son of \$3 Million Sire, Sun Frost, out of a daughter of AAA Race Stallion, John Red. Bronsin has sired winners in nearly every event you can imagine and they have always looked good doing it. Even though Bronsin is nearly done breeding, they still have Frozen Semen and many daughters in the broodmare band to continue his legacy.

Fire on Bug is one of the newer additions and his first crop for the Crago Ranch came in 2013. All they can say is WOW! He is a 2001 Palomino Stallion by \$4 Million Barrel Sire, Fire Water Flit out of futurity champion producing daughter of Shawne Bug, the decades leading Broodmare Sire of Barrel Horses. His oldest colts are hitting the arena and looking very promising.

Duals Blue Peppy is a 2003 Bay Roan Son of Duals Blue Boon, cutting earner of \$200,000 out of Sweet Peppy Again, \$300,000 cutting producer by Peppy San Badger. Dually's list of accomplishments are both important and impressive to them. He was the 2007 SDRCHA Non Pro Derby Champion with Chuck Crago and after being put back into training has earned his AQHA Performance ROM, Qualified for the 2013 AQHA World Show in two events to date, and was the Reserve Champion at the 4 Event Stockhorse Challenge in McCook, Nebraska. His colts are showing the same talent in multiple arena events!

CM Nonstop Nitro is a 2004 Black Stallion that was born and raised at the Crago Ranch. He is by the late, great Nonstop Bubblin, who won over \$85,000 running barrels, out of a producing daughter of Doc O Dynamite. CM Nonstop Nitro has already sired a WPRA Money Earner and Futurity Champion from his crop to hit the arena!

Nonstop Nitro is a very special stallion to the Crago's as Nonstop Bubblin was owned by the Cragos for many years and ridden to many accomplishments by Mary Crago. One of the highlights of Mary's year was to get a Nonstop Bubblin daughter out of a Money Earning daughter of CM Dynamite Frost via embryo transfer and frozen semen.

The whole family is also looking forward to two foals by Nonstop Bubblin in 2014 out of a producing daughter of Dash Ta Fame and a proven daughter of Ihavepromises Tokeep (Former Crago Stallion by First Down Dash).

Platinum Bully is the newest addition and was purchased after CM Dynamite Frost was tragically lost to lightning in the spring of 2012. He is a 2005 Bay Roan Son of the great, Bully Bullion, out of an outstanding Barrel Earning mare by Bold Array who was a Track Record Setter and earned a speed index of 106. Platinum Bully's first crop produced a money earner at the BFA World Finals in 2012, the world's largest Barrel Futurity and he most recently sired a money earner on the racetrack. Platinum Bully's first crop of foals at the Crago Ranch also arrived in 2013 and they are very impressed with them as well!

All in all, the Crago Family is very proud of their stallion lineup and hope to see their colts in the winner's circle in the near future.

Although the Crago's are very proud of their stallions, they know the broodmares are equally important. Their broodmare band consists of many mares they raised as well as some they bought that are own daughters of top stallions. They are the most proud of the mares they raised though, because they know both parents and how they sired or produced. This is an important aspect in knowing how each mare's colt with move, look, and ride.

One of the 2013 Crago Performance Horse Sale features will be CM DYNAMITE SHAKE, a 5 yr old Buckskin gelding that was purchased from the ranch as a 2-yr-old by Sam Flannery with Flannery Barrel Horses. Sam is one of the top Futurity riders in the nation, and has once again taken a Crago horse to the winners circle. Shake is a solid, consistent, 1D barrel horse and is patterned on the poles with extensive ranch use as well. Sam is a repeat customer from Crago Performance Horses.

Chuck, Mary, and Jade Crago will be hosting their first horse sale in 8 years along with guest consignors. They originally had 29 consecutive sales when a 10 year drought forced them to reduce their numbers and keep only their very best bloodlines. They continued to sell privately very successfully. Through this time, they have been selectively keeping mares and buying top bloodlines to insure a highly regarded sale.

The Cragos will feature some of the very top bloodlines in the performance world. Stallion power they stand behind includes, FIRE ON BUG, PLATINUM BULLY, CM NONSTOP NITRO, PC BRONSIN AND DUALS BLUE PEPPY along with powerfully bred broodmares to compliment them. Their stallions and broodmares are a big source of pride to them because they have put so much time into keeping and raising only the best. Their big focus is to nominate their stallions into breeders futurities and incentives, such as FUTURE FORTUNES, PESI, and BRIF along with several top paying futurities such as the 5 State Breeders Futurity, Cornhusker, Hawki, VGBRA, Southwest Desert Classic, JJ Classic, Grid Iron, Brn4d, SDRCHA and the AQHA Ranching Heritage Breeders Program. They have a great mixture of speed and cow bloodlines bred to perform in many events. By getting their horses eligible, they will get into successful hands, and into the winners circle to achieve what they are bred to do.

The Crago Performance and Production Horse Sale will be held on August 31, 2013 at the Cadillac Ranch outside of Belle Fourche, performance horses and broodmares bred to their stallions. They invite you to visit their website www.crago.com and see the updated sight in July.

For a catalog or info concerning the sale, please email cmcrago@wbaccess.net or call one of them at 1-605-892-4297. You can also find them on Facebook. They invite you to see their updated website, www.crago.com, for more information.

- Mary Crago

PC Bronsin

Bronsin is 28 this year and still settling mares. As if that isn't enough from a stud at that age, he is still completely sound! He is our senior sire and has been very important and influential to our program. Bronsin has sired winners in so many different events at all levels. We think Bronsin is really a strong breeder and out sires himself time after time on such a wide variety of mares. His sons are great sires, but we think the daughters are just as good because they are such great producers and will cross on so many different studs. Bronsin has a lot of balance to him with good feet and flat bone which is a big contributing factor as to why he is still sound. Pretty is always an adjective used to describe the Bronsin colts and he has sired nearly every color. He has the pedigree to back up that beautiful color as well. He is a son of the legendary Sun Frost, whose progeny and grand progeny have earned over \$9 Million including 14 NFR Qualifiers. Bronsin's dam, Red Rockette is daughter of John Red, the first AAA racehorse in South Dakota. John Red had a speed index of 96 and set a World Record at 220 Yards in 1948. Along with this stellar pedigree, the Bronsin colts are cowy, agile, and quick footed. His sons and daughters in the sale are fantastic, so take a look, because the Bronsin colts don't come back up for sale often. Ask anyone that has ever had a Bronsin colt and they will tell you just how special they are. Don't overlook the Bronsin granddget in the sale either, because they will take you to the winners circle just the same!

Fire On Bug

We feel very privileged to have this outstanding stallion as part of our breeding program. Our first set of colts by Fire On Bug arrived in 2013, and they have balance, size, and class in addition to their silky way of moving! Everyone that has an older Fire On Bug colt is in love with them! They all say the same things, that they are pretty, easy to train, and full of ability. When you look at Fire On Bug's pedigree you understand why. He has two of the most sought after bloodlines in the barrel pen with Fire Water Flit and Shawne Bug. Fire Water Flit himself had a speed index of 86, won the WTBRA Derby, TBRA Derby, Champion of Champions Derby, and was a two-time Texas Circuit Finals Qualifier. He is the #4 All-Time Barrel Sire and has sired over \$3.6 Million in addition to 4 NFR Qualifiers. Fire Water Flit was also the #4 Paternal Grandsire of Barrel Horses in 2012 with 2 NFR Qualifiers. Fire On Bug's dam, Leetta Bug Flit, is a barrel racing money earner herself. She is the dam of, Its Complicated, Roper Rally Futurity Champion and Barrel Racing Earnings exceeding \$17,000 and Leah Firewater, Barrel Racing Earnings over \$7,000. Leetta Bug Flit is by the legendary Shawne Bug, who had a speed index of 101 and race earnings of \$277,023. Shawne Bug is one of the most powerful maternal grandsires in the Barrel Racing Industry and is the #3 Maternal Grandsire of the decade with earnings exceeding \$825,000. Fire on Bug is also a 3/4 brother to Missjbrunninwithfire, Ft. Smith Derby Champion and Barrel Racing Earnings over \$115,000. With this powerful set of genetics, the Fire On Bug colts will have a huge impact on the performance arena and in breeding programs in the future. We feel Fire On Bug is a great asset to our program and to the whole barrel racing industry.

We purchased Bully last June after we lost CM Dynamite Frost and after getting his first crop of foals this spring, we positively know he was the right replacement. They have style, grace, and a presence about them that attract any buyer. We could not be more proud of how our two newest stallions have begun to sire for our program, passing on everything we like about them on down to their colts.

Platinum Bully's pedigree was what attracted us to him from the very beginning. Bully Bullion is a top running horse with performance and rodeo horse conformation. Bully Bullion has a speed index of 104 with earnings of \$225,384 as well as siring over \$9 Million on the track and \$1.8 Million in the Barrel Racing Arena. He is a Top Maternal and Paternal Grand sire as well. Platinum Bully's dam is a Futurity, 1-D, and Rodeo winning mare by Bold Array, Track Record Setter with a Speed Index of 106!

We think Bully Bullion is one of the best looking running Quarter Horses with that big hip that has been passed down to Platinum Bully and to his colts! We have done our homework and these Platinum Bully colts are the real deal. Every owner we have heard from has said they are naturals and love to run and turn. Watch for them at this years BFA Juvenile! Don't pass up all of the incentive money the Platinum Bully colts and many of the others are eligible for.

CM Nonstop Nitro is the epitome of what our program is built around. We raised him and know how great Nonstop Bubblin was and how great he sired and the quality Nitro's mother produced. Nitro's pedigree is full of Barrel Racing and Rodeo Royalty. Nitro's sire, Nonstop Bubblin has his Racing ROM, 117.5 AQHA Barrel Racing Points, Open Barrel Racing Superior, Amateur Barrel Racing Superior, and Lifetime Barrel Racing Earnings of over \$85,000. He has sired Barrel Racing Money Earners in excess of \$314,000 including the 2011 Ft Smith Futurity Fastest Qualifier, Passem Jet. CM Nonstop Nitro's dam, Miss Thorn Doc Bar is the dam of CM Frosted Dynamite, AQHA Performance Point Earner, and Granddam of 2013 NHSFR Barrel Racing Qualifier. She is a daughter of the great Doc O Dynamite, \$1 Million Sire. He has sired over \$600,000 earnings in cutting, numerous rope horses, and Rachel Myllymaki's, "Scott", NFR Barrel Horse and Calgary Barrel Racing Champion. You can't beat the qualities Nitro and his colts possess. His colts have the whole package. They are pretty,

have flat bone, good withers, trainable minds and all the speed you will need when you ask for it. They are going to be very natural barrel horses just like the Nonstop Bubblin colts were and are already proving that. NFR Qualifier, Jeanne Anderson, won the Kansas NBHA Futurity Championship on "John Henry", a 5 Year Old gelding by Nitro out of a PC Bronsin daughter. Jeanne and John Henry have also won money at numerous WPRA Rodeos. This is Nitro's first crop of colts and we could not think of a better way to start. Jade will be taking a 4 Year Old Mare by Nitro out of CM Sak Em A Bronsin, another PC Bronsin daughter, to the BFA Futurity in December. She is a very talented mare and we are expecting big things from her. Nitro's colts are in a league of their own and we are really excited for people to see them sale day.

We are still so devastated over losing Dynamite to lightning last summer, but we do have some frozen semen on him and some of his daughters to continue his legacy. Dynamite always sired pretty colts that had trainability bred in.

Along with his looks and color, he carries the pedigree of what may be two of the all-time greatest rodeo bloodlines, Doc O Dynamite and Sun Frost. Doc O Dynamite might have sired as many top rope and barrel horses as any stallion in this area, not to mention over \$650,000 in cutting earnings. Cross Doc O Dynamite on one of the top daughters of Sun Frost and you are going to have a winner. Sun Frost progeny and grand progeny have earned in excess of \$9.3 Million and include 14 NFR Qualifiers.

Dynamite was destined to be a winner and a sire, and that he was. He earned NRCHA money as a 3 Year Old and was the 2009 AQHA Region Two Reserve Senior Heading Champion and Reserve Senior Heeling Champion followed by a 2010 AQHA Region Two Senior Heading Championship and Senior Heeling Reserve Championship. CM Dynamite Frost's colts were starting to really excel in the arena. One of his daughters, CM Bubblin Dynamite (Out of a daughter of Nonstop Bubblin) was the Reserve Champion at the 2013 Rodeo Rigs Turnaround Slot Race and the 2010 AQHA Region Two Novice Youth Barrel Racing Champion among other wins. Some of his other winners include Dynamite Dodge, 2010 AQHA Region Two Reserve Heading Champion, CM Dynamite Duster, Lil Frost Freckles, RHR Sunberry, CM Dynamite Shake, and CM Dynamites Asset, all 1-D Barrel Horses.

"It is rare to find this much athletic ability in the same package with the willingness and cow-smarts that Dually possesses."

- Levi Grimes, Trainer

Duals Blue Peppy

"Dually rides more agile, strong, and with his feet squarely under him, than almost any horse I have ever trained."

- Levi Grimes -Trainer

Duals Blue Peppy is an outstanding individual. We won some NRCHA money with Dually as a 3 and 4 Year Old as well as the SDRCHA Non-Pro Derby Championship on him as a 4 Year Old. However, we thought he deserved more showing so we sent him to Levi Grimes this past winter as a 10 Year Old and he did great! He qualified for the AQHA World Show in the Senior Working Cow Horse at his first show in Rapid City. Dually was shown in Sioux Falls and earned the Senior Open All Around Champion by placing in Senior Calf Roping and Senior Ranch Pleasure and completing his AQHA Performance ROM. Dually also qualified for the AQHA World Show in Senior Ranch Pleasure at this show. Levi then took Dually to the Drought Buster Challenge in McCook, Nebraska, where he took home the Reserve Championship in the Stockhorse Challenge, competing in Herd Work, Reining, Fence Work, and Steer Stopping. We are incredibly proud of Dually and wanted to show how trainable, talented, and versatile he is in this specialized world. He was bound to be a winner with the stacked pedigree that he carries. Duals Blue Boon won over \$197,000 NCHA, Dual Pep is an NCHA Top 10 Maternal and Paternal Grandsire, and Royal Blue Boon is the All-Time Leading NCHA Dam. Sweet Peppy Again is the dam of Donas Cool Cat, NCHA LTE over \$350,000 and the granddam of Donas Suen Boon, 2012 NCHA Non-Pro Futurity Champion. Peppy San Badger is an NCHA Futurity Champion and his grandget have earned over \$144 Million. Dually's colts are extremely talented, cowy, and have big stops. They are eligible for SDRCHA and JJ Classic.

Here is one keen-headed, big-hipped, classy colt! The top side of this pedigree is full of barrel racing industry greats with Fire Water Flit, Shawne Bug and two crosses to Flit Bar. Cross that with PC Bronsin and Sticks An Stones on the bottom side and you have a big-time futurity prospect! This colt has an extremely strong maternal line, an important aspect of a good stud prospect. There is no guess work here!

This sorrel colt has a big set of drivers and will cinch deep when he grows up. He isn't going to be very tall, but he will be stout and he can really run. When you cross Willywood, a super performance sire, with Fols Classy Snazzy, NFR Barrel Racing Stallion, on top of Sticks And Stones and Jet Of Honor, you will have a winner. VF The Rock, full sister to VF Kits and Stones, has Barrel Racing LTE of over \$50,000.

Royal is a thick, little mare that rides around really nice. We have drug calves on her and done a lot of the typical ranch chores on her. She is a traveler with lots of heart and won't ever quit on you. Paul Griensman will have her started nice in heeling and breakaway. She is also an excellent youth rodeo prospect to do any event with the cow and speed that she possesses.

Trick Pony had lots of bone, foot, and substance to be a rodeo rope horse. His feet are catty, but he also has the quick speed that all of the top rope horses have today. He is an own son of Nonstop Bubblin out of "Stella", a mare that Courtney won so much on running barrels and poles. He should stay sound forever and has a big career ahead of him. Paul Griensman will be showing him on both ends sale day. This high caliber rope horse is jackpot ready and will be ready for the rodeos with some hauling.

Lucy is a gorgeous brown 13 year old mare - extremely athletic and very willing to do anything you ask her. This mare has a lot of go with plenty of run. Hayse Worthington has shown her in the World Series and US team ropings on the head side in the 15 and Open. She leaves the box very hard and very flat. She has a really nice move in the corner and faces phenomenal! Lucy has also been ridden in the jackpots heeling and started on barrels. Lucy also won the Non Pro at the South Dakota Reined Cow Horse Futurity with Chuck as a 3 Year Old. She is a very versatile mare!! Lucy would be a great mare to take to the big jackpots - team ropings and rodeos! This is a great mare, she is a favorite on our place!

Red is a 9 year old, 14.3 hand, sorrel gelding. He is super athletic and very broke, and he has been hauled to many amateur rodeos, pro rodeos, and big jackpots in the heeling and calf roping. He is a top notch heel horse I also take to World Series and US ropings. He is really quick footed and has a lot of speed with a super stop. Red is a really cool horse to rope calves on. He scores phenomenal and is a dream in the box. He can really stop and works plenty of rope. He would fit a high school kid, college kid or experienced roper. This horse has also been shown in the cutting, with a little tuning up he would show good in the amateur or high school level as well. We really think a lot of this horse. He is very versatile and would be a great asset to whoever buys him. Contact Hayse Worthington for more information 254-595-2142.

They say in barrel racing it doesn't matter what your horse looks like when you are winning....BUT when it does matter, this is the horse!! "Shake" has it all beauty, brains and conformation. "Shake" has a foundation of a ranch horse and has shined in the barrel pen the moment I started showing him. In a few short months, he is placing consistently and easily in the 1D. I will have him to a few rodeos and several futurities by sale time. He knows his job from the moment they call my name and he rolls through the gate like he has been doing this for years and that's how I ride him, there is no holding back and worrying that he is a colt. I will retain the right to run him and the winnings for 2 weeks after the sale for the 5-State Breeders Futurity and the Fizz Bomb Futurity. After that he will still be paid up in the Roper Rally, Grid Iron and Hawki Futurities and it can be up to the new owners discretion what they would like to do with him. He is paid in full to Future Fortunes, PESI, and BRIF and eligible for the 5-State, Grid Iron, and Hawki Beeders Futurities and Maturities in the future. See list of accomplishments on home page of www.flannerybarrelhorses.com and videos can be seen on my youtube account "Samantha Flannery", all videos identified with his registered name. Continue to check back at both places as the summer progresses for more videos and results. Contact Sam Flannery for more information (402) 322-0944.

RARE FORM OF LIGHT

"Rare Form Of Light" aka Baby Doll stands 15.2H tall. She is a finished and seasoned 1/2D barrel horse that has been run at jackpots and large races and is currently being run at rodeos this summer. She is patterned on the poles as well. She is finished and currently being hauled in the breakaway roping and the heading. We've also heeled the heel-o-matic on her numerous times. Baby Doll has been ranched on and used in the branding pen, as well as been used as a flag horse and queens horse at some rodeos last year. She has a strong maternal line and would make a wonderful broodmare as well. This mare is very gentle, well-mannered, easy to ride, very broke, smooth traveling, confirmationally correct, sound, etc. She is entered in the open 4D at the Dash N Dance, Cornhusker, Roper Apparel, and 5 State Futurities. Videos and more pictures can be seen on my website at www.downthealleyperformancehorses.com and on YouTube under her registered name. I will update video throughout the summer so please check periodically. She would fit any level rider from a pro down to a novice. Outstanding all around horses like her do not come around very often - she is the total package! Contact Michelle Alley for more information (605) 660-8780.

"Dakotas Cashin In" aka Big D stands 16H tall. He is a finished and seasoned 1/2D barrel horse who has earnings not only in the 1D and 2D but also at open rodeos, futurities, and derbies. He is finished in the poles as well. We have roped the calf sled and the heel-o-matic on him and we are currently roping live cattle on him this summer. He will be ready to enter on in the heading and breakaway roping by this fall. He has been ranched on and trail rode. He is big and stout, very gentle, conformationally correct, very broke, smooth traveling, and very easy going. Anyone from a pro, down to a novice can ride him and get along with him. He is paid into the Dash And Dance Maturity, 5 States Breeders Barrel Maturity, Cornhusker Open Barrel Derby/ Maturity, and the Roper Apparel Derby. More pictures and video can be seen on my website at www.downthealleyperformance-horses.com and on YouTube under his registered name. April is on track to be an outstanding all around horse! She has clocked in the top of the 2D already this spring and has room for improvement. She is also started in the poles and in the heeling. she is entered in the fall futurities and could be ran by the new owner or left with me until the fall futurities are over. She is sired by the great cutting sire, Dual Rey (\$12,500 stallion fee) and out of a producing /winning daughter of Docs Hickory. This mare is quick, athletic, friendly and willing! She want to please and likes people. Video's of her running barrels, poles, roping, etc. can be emailed to anyone who is interested and will be posted at www.walzperformancehorses.com. 7 year old buckskin pony mare... 12.2 hands and 800#. Looking for a fun well mannered pony for your child? Here she is. She is a mover and can cover some ground. This is not a lazy pony. This pony can go out walk any horse on the ranch. She is nicely broke and fun to ride! I have Thelma loping the barrels and she will progress nicely into a Jr. rodeo pony if that is what you are looking for. She is smart, catches on quickly, kind and cute. She hauls well, rides off alone by herself, is good to trim her feet and clip. She has no naughtiness or buck to her. Thelma has many years left to go do whatever it may be that you need a great pony for! For More Information Contact Shawna Letcher (605) 391-7084.

Terms & Conditions: Terms of the sale are cash or personal check or credit card (Visa, Master Card, Discover or American Express. A 3% user fee will be added to credit card purchases.)

Every animal sells to the highest bidder with the auctioneer settling disputes as to bids. Announced changes in catalogue information sale day take precedence over printed material in this catalogue.

All horses are the buyer's property as soon as they are sold. No delivery is available until final settlement is made on all purchases. Buyers must make arrangements for care of horses at their own risk until delivery is taken. Delivery on all purchased horses must be taken within seven (7) days of the sale, unless prior arrangements are made. Any horses left beyond the agreed upon time period will be charged \$10 per day. Insurance will be required on all horses left for pickup at the Crago Ranch after the sale.

Any person attending this sale does so at their own risk. Neither the owners, sale management, Beslers Cadallac Ranch, Belle Fourche Livestock or any other person connected with this sale assumes any liability, legal or otherwise.

Health:

Broodmares are bred to the stallions indicated in the catalog and will be checked in foal prior to sale day. Live Foal Guarantee does not apply.

To the best of our knowledge, every horse in the sale

is free of disease and defect. Known defects will be called at sale time. This guarantee is between the buyer and the consignor. We strongly urge buyers to thoroughly examine the horses that interest them. All sales are absolute & final.

All 2013 foals will be halter broke at sale time and started on grain.

Individual health papers and a coggins test will be issued sale day for shipment anywhere.

A Brand Inspector will be on location to write a Brand Inspection on all horses before leaving the sale premises

Insurance: Once you have made your purchase, Grassroots Insurance Associates Group will be available on sale day to insure your investment. For more information, call Kirby Goetsch (605) 380-3030.

Registration & Transfer: All horses sell registered with the AQHA. A \$15 transfer fee will be assessed to the buyer of each horse and registration transfers along with that fee will be sent to the AQHA once settlement has cleared our bank. Upon receipt of registration, buyers should check the paper information with each horse and report any discrepancies to the AQHA. Be prepared to give your accurate AQHA membership name and number if a horse is purchased.

Absentee Bids:

Anyone wishing to bid that cannot attend the sale may make phone bids prior to the sale by contacting Chuck, Mary or Jade Crago prior to sale day (numbers below). Phone bids are welcome, but be aware that if purchases are made by this method, payment MUST be arranged prior to the sale. Terms of the sale are cash to be paid in US funds by Tuesday by Wire Transfer; Certified Check overnighted to Crago Ranch. Be prepared to fax a bank letter of credit.
